Mechanics liens on condominiums can be tricky. In fact, this blog has addressed the complexities of condominium projects several times; here or here for example. The factors that make the lien process difficult in general are magnified on condominium projects. The reason that condo projects are sometimes more difficult, in terms of properly preserving mechanic's lien rights and perfecting ...

Mechanics Liens: Liens on Condominiums - An Overview

Serving owners with an Arizona mechanics lien. Recent changes to California's mechanics lien laws mandated that lien claimants serve the property owner with a copy of the mechanics lien simultaneously with the filing, actually requiring an affidavit of service to be included with the lien filing. There is no similar requirement in Arizona.

When Must An Arizona Mechanics Lien Be Served On The Owner?

A mechanic's lien is a document that can be publicly filed by a person or entity that improves real property, when they believe that they were not fully compensated. Usually, contractors, subcontractors or material suppliers will file liens; although architects and engineers can file them as well, in certain situations.

What Do I Do About a Mechanic's Liens Filed Against My ...

To get a mechanic's lien, state law will usually require the subcontractor or supplier to do the following: The lien claimant (the subcontractor/supplier) must provide notice to the homeowner of what is being contributed (e.g., supplying the bathtub), typically within 20-30 days of contribution.

Understanding Mechanic's Liens - FindLaw

The legal name of the property owner must be clearly stated on the Notice, and the same person must also sign the document. ... Filing a mechanics lien requires serving them to these parties, and knowing who to send the documents is very important. Another important information is the official start date of the project. The deadlines for ...

Notice of Commencement Guide: Why, When, and How to File ...

The claimant has no enforceable mechanics lien claim against the owner because it was served with the 8520 notice and failed to serve a stop payment notice. The owner is thus well protected from any subcontractor claim against it. I am unsure why owners have not, heretofore, regularly invoked this section and sent a notice such as this.

Can an Owner Preemptively Avoid a Mechanics Lien? - Porter Law

(Optional.) If property owner requests, lienholders must furnish within 15 days an itemized list of amounts claimed, and lienholders may not take steps to enforce liens for 10 days after the itemized list is furnished. Property owner may pay: General contractor (owner must get lien waivers from subcontractors and general contractor); or
