management and use of buildings. BS 9999 is a very important standard in matters of fire safety. It's a building standard that provides...

BS 9999 revision explained

Between prescriptive guidance and fire safety engineering lies a hybrid approach to fire safety in buildings, such as that found in BS 9999. As Dave

Download Free Bs9999 Free

Berry explains, the standard provides a structured approach to risk based design where varying physical and human factors can be taken into account.
