VH and the anti/pro continuum. To a certain extent, keeping VH on the anti/pro continuum is convenient, as VH can be conceived as a temporary attitude of individuals who have not yet chosen between the anti- and pro- attitudes and who can more easily be convinced to endorse the latter than strong opponents 30. One might then hope to help people to move along this continuum through interventions designed to bring them what they lack: self-efficacy, knowledge or trust of the authorities.

The theoretical framework provides a broader set of ideas where a study belongs. For example, it is a plan for research in different types of papers. In this case, this theoretical background reflects on the hypothesis of a study. Hence, a student relies on existing theory in a field of investigation.
