Online.~~

Afternoon tea is thought to have first become fashionable in the 1840s thanks to the Duchess of Bedford, who requested light refreshment each day at 4pm to bridge the gap between breakfast and dinner. The idea took off and it's now regarded as a proud British tradition as well as finding its way on to menus in other parts of the world.

Afternoon Tea is a book  
written about everything to  
do with tea. It informs the  
reader on how to select your  
tea and recipes to  
compliment it. The book also  
manages to cover some  
historical facts about tea,  
which I enjoyed.
