management to be performed with more comfort, fewer complications, and better results. This book is a step by step guide to fluoroscopic guided pain management procedures covering craniofacial, spine, peripheral nerves, and joint injections. Beginning with an overview of the technique and pharmacology, each chapter is dedicated to a different section of the body. The guide is formatted as a pocket flip book with 'quick tabs' for easy navigation and each X-Ray image is presented with a duplicate image with a colour overlay outlining the anatomy. Authored by experts in the field, led by Texas-based Rudy Garza, this quick reference manual provides clinicians with concise and valuable information on accurate interpretation of imaging and anatomy, and needle guidance. networks--connect us in frameworks that transform our relationships to business and each other. To thrive today, organizations need new strategies--strategies designed for customer networks. Rogers offers five strategies that any business can use to create new value: ACCESS--be faster, be easier, be everywhere, be always on ENGAGE--become a source of valued content CUSTOMIZE--make your offering adaptable to your customer's needs CONNECT--become a part of your customers' conversations COLLABORATE--involve your customers at every stage of your enterpriseRogers explains these five strategies with over 100 cases from every type and size of business--from shoes to news, and software to healthcare. In "The Network Is Your Customer," he shows: How Apple harnessed a host of collaborators to write apps for its iPhone How IBM designed a videogame to help sell its enterprise software How Ford Motors inspired an online community to build brand awareness for its new Fiesta...and countless other cases from consumer, b2b, and nonprofit categories. The book outlines a process for planning and implementing a customer network strategy to match "your" customers, "your" business, and "your" objectives--whether you need to drive sales, to enhance innovation, to reduce costs, to gain customer insight, or to build breakthrough products and services. Because today, whatever your goals and whatever your business, the network is your customer.
