CHAPTER 6, SECTION 1 Key Concepts Moving to Equilibrium • Supply and demand work together to determine price. A surplus exists if the quantity supplied of a good is greater than the quantity demanded. When a surplus exists, the price of the good will fall. A shortage exists if the quantity demanded of a good is greater than the quantity supplied. When a shortage exists, the price of the good ...

United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
