The Workbook to Accompany Anatomy and Physiology Revealed by Robert Broyles is a workbook/study guide designed to help students get the most they can out of the Anatomy and Physiology Revealed (APR) CD, and out of their anatomy and physiology course. The Table of Contents closely follows the 4-CD APR set and is organized along the lines of a typical Anatomy and Physiology course. The individual exercises include art from APR and also have review questions, tables, terminology quiz questions, and reminders on key content..

With Saladin, students make connections through learning outcomes and assessments, integrated media, and a writing style that clearly depicts anatomy and physiology processes. A consistent set of chapter learning tools helps students identify and retain key concepts while the stunning visual program provides a realistic view of body structures and processes. Saladin's text requires no prior knowledge of college chemistry or cell biology, and is designed for a two-semester A&P course. Users who purchase Connect Plus receive access to the full online ebook version of the textbook, as well full access to LearnSmart, SmartBook, and Anatomy & Physiology Revealed. The seventh edition's changes focus primarily on new science (30+ updates based on advances in science), new writing (30+ new sections of text to improve discussion, update terminology, and include new Deeper Insight examples), and 40+ new and revised photos and illustrations. Also, a new appendix has been added to the 7th edition to include the complete genetic code. Significant improvements have also been made to the Connect question banks.

Learn. Practice. Assess. Hole's Human Anatomy and Physiology was created for the introductory level student and assumes no prior science knowledge by placing emphasis on the fundamentals. This new edition updates a great A&P classic while offering greater efficiencies to the user. The format for the 12th edition focuses on Learning Outcomes and Assessments. This will benefit the student along with the instructor. The 12th edition of Hole also continues to offer technology that combined with the text offer users an incredible Course Solution! Technology like Anatomy and Physiology Revealed and the new online Homework Manager bring unprecedented opportunities to the classroom whether on campus or at home!
