This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization is a registered Organisation that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims.

After Hajj, a Muslim considers Umrah to be the most significant worship that brings the opportunity of rewards and blessings of visiting Ka'bah and the Prophet's Mosque along with other sacred places one wishes to visit. This title is based on the book Getting the Best out of Hajj and contains chapters on Umrah in Ramadaan and visiting Madinah.

This book aims to help prepare travellers for both their trip to Saudi Arabia and the sacred Pilgrimage itself. The rites of Hajj and Umrah are clearly explained, and relevant prayers and supplications are provided in both Arabic and English. A final chapter is provided detailing a visit to Madinah.

The first history of indigenous photography in the Middle East The birth of photography coincided with the expansion of European imperialism in the Middle East, and some of the medium's earliest images are Orientalist pictures taken by Europeans in such places as Cairo and Jerusalem—photographs that have long shaped and distorted the Western visual imagination of the region. But the Middle East had many of its own photographers, collectors, and patrons. In this book, Stephen Sheehi presents a groundbreaking new account of early photography in the Arab world. The Arab Imago concentrates primarily on studio portraits by Arab and Armenian photographers in the late Ottoman Empire. Examining previously known studios such as Abdullah Fr è res, Pascal S é bah, Garabed Krikorian, and Khalil Raad, the book also provides the first account of other pioneers such as Georges and Louis Saboungi, the Kova Brothers, Muhammad Sadiq Bey, and Ibrahim Rif'at Pasha—as well as the first detailed look at early photographs of the annual pilgrimage to Mecca. In addition, the book explores indigenous photography manuals and albums, newspapers, scientific journals, and fiction. Featuring extensive previously unpublished images, The Arab Imago shows how native photography played an essential role in the creation of modern Arab societies in Egypt, Palestine, Syria, and Lebanon before the First World War. At the same time, the book overturns Eurocentric and Orientalist understandings of indigenous photography and challenges previous histories of the medium.

If you need to learn about the fifth pillar of Islam and how it is performed then you must read this book. "Companion of Hajj" is one the most authentic books authored on the rulings of Hajj. This book provides practical and detailed guidance to the rituals of Hajj and Umrah. "Companion of Hajj" will be your true companion in your blessed journey of lifetime.

INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly "will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.
