Henna House Nomi Eve
HENNA HOUSE is beautifully written. The author's descriptions are vivid and are imprinted on the reader's senses to the point that, it's possible to visualize, smell, hear, see, and taste the exotic Yemen that's portrayed. Characters are clearly written and author Nomi Eve gives each their own voice and points of view.

In the tradition of Anita Diamant's The Red Tent, Henna House is the enthralling story of a woman, her family, their community, and the rituals that bind them. Nomi Eve's vivid saga begins in Yemen in 1920, when Adela Damari's parents desperately seek a future husband for their young daughter.

Henna House | Nomi Eve
Henna House by Nomi Eve is a beautifully written story of a young woman growing up in Yemen during the 1920s and 1930s. Right away, I was transported back in time to a very primitive world, a world without any kind of modern day conveniences, a world where religion and superstitions played a central role in the lives of the people.

Henna House by Nomi Eve - Goodreads
Nomi Eve's lavishly imagined account begins in Palestine in 1837, with the tale of the irrepressible family matriarch, Esther, who was lured by the smell of baking bread into an affair with the local baker. Esther passes on her passionate nature to her son, Eliezer, whose love for the forbidden Golda threatened to tear the family apart.

"In Yemen in 1920 ... Adela Damari's parents desperately seek a future husband for their young daughter. After passage of the Orphan's Decree, any unbetrothed Jewish child left orphaned will be instantly adopted by the local Muslim community. With her parents' health failing, and no spousal prospects in sight, Adela's situation looks dire until her uncle arrives from a faraway city, bringing with him a cousin and aunt who introduce Adela to the powerful rituals of henna tattooing"--Amazon.com.

In the bestselling tradition of The Red Tent, The Family Orchard is a spellbinding novel of one unforgettable family, the orchard they've tended for generations, and a love story that transcends the ages. Nomi Eve's lavishly imagined account begins in Palestine in 1837, with the tale of the irrepressible family matriach, Esther, who was lured by the smell of baking bread into an affair with the local baker. Esther passes on her passionate nature to her son, Eliezer, whose love for the forbidden Golda threatened to tear the family apart. And to her granddaughter, Avra the thief, a tiny wisp of a girl who thumbed her nose at her elders by swiping precious stones from the local bazaar-and grew to marry a man she met at the scene of a crime. At once epic and intimate, The Family Orchard is a rich historical tapestry of passion and tradition from a storyteller of beguiling power.

Caroline, known as "Lina" to her family, has always lived in the shadow of her older brother William Herschel's accomplishments. And yet when William invites Lina to join him in England to assist in his musical and astronomical pursuits--not to mention to run his bachelor household--she accepts, finding a new sense of purpose. William may be an obsessive genius, but Lina adores him, and aids him with the same fervency as a beloved wife. When William decides to marry, however, Lina's world collapses. As she attempts to rebuild a future, we witness the dawning of an early feminist consciousness--a woman struggling to find her own place among the stars.

After their wealthy father awakens from a stroke to find them less extraordinary than he remembered, three former tennis champion daughters resolve to prove themselves by fixing up a carriage house their grandfather built.

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexul politics.

In this Bonnie and Clyde story of love and betrayal, a band of outlaws fight for control of the brutal Brazilian outback. Set in the sparse frontier settlements of northeastern Brazil—a dry, forbidding, and wild region the size of Texas, known locally as the Sertao—Backlands tells the true story of a group of nomadic outlaws who reigned over the area from about 1922 until 1938. Taking from the rich, admired—and feared—by the poor, they were led by the famously charismatic bandit Lampiao. The gang maintained their influence by fighting off all the police and soldiers the region could muster. A one-eyed goat rancher who first set out to avenge his father's murder in a lawless land, Lampiao proved to be too good a leader, fighter, and strategist to ever return home again. By 1925 he commanded the biggest gang of outlaws in Brazil. Known to this day as a "prince," Lampiao had everything: brains, money, power, charisma, and luck. Everything but love, until he met Maria Bonita. "You teach me to make lace, and I'll teach you to make love"—this was the song the bandits marched to, across the vast open reaches of their starkly beautiful backlands, and it was Maria Bonita who made it come true. She was stuck in a loveless marriage when she met Lampiao, but she rode off with him, becoming "Queen of the Bandits." Together the couple—still celebrated folk heroes—would become the country's most wanted figures, protecting their extraordinary freedom through cunning. Victoria Shorr's stunning literary debut tells Maria's story, her narrative of the intense freedoms, terrors, and sorrows of this chosen life, the end of which is clear to her all along. With the federal government in Rio mobilizing against the bandits, Backlands describes the epic final days of Lampiao's "fatal month," July on the River of Disorder, as the gang struggles to summon their good star to save them one more time.

Wicked wolves and a grim governess threaten Bonnie and her cousin Sylvia when Bonnie's parents leave Willoughby Chase for a sea voyage. Left in the care of the cruel Miss Slighcarp, the girls can hardly believe what is happening to their once happy home. The servants are dismissed, the furniture is sold, and Bonnie and Sylvia are sent to a prison-like orphan school. It seems as if the endless hours of drudgery will never cease. With the help of Simon the gooseboy and his flock, they escape. But how will they ever get Willoughby Chase free from the clutches of the evil Miss Slighcarp?

Catalog of Catalogs documents nearly 2,300 temporary exhibition catalogs, 1876-2018, that include objects of Judaica. It provides highly-detailed indices of these publications' subjects, exhibited objects and geographical foci.

This book gives an analysis of relative clauses as they evolve throughout the history of (Mainland) Scandinavian, from Ancient Nordic to Early Modern Norwegian.

An unforgettable novel about a Greek American family and its enigmatic patriarch from a significant new voice in contemporary literature: "Hilarious yet rich…This debut by Annie Liontas will touch you" (The New York Times). Stavros Stavros Mavrakis, Greek immigrant and proud owner of the Gala Diner, believes he has just ten days to live. As he prepares for his final hours, he sends a scathing email to his ex-wife and three grown daughters, outlining his wishes for how they each might better live their lives. With varying degrees of laughter and scorn, his family and friends dismiss his behavior as nothing more than a plea for attention, but when Stavros disappears, those closest to him are forced to confront the possibility of his death. A vibrant tour de force that races to a surprising conclusion, Let Me Explain You is told from multiple perspectives: Stavros Stavros, brimming with pride and cursing in broken English; his eldest daughter Stavroula, a talented chef in love with her boss's daughter; her sister, the wounded but resilient Litza; and many other voices who compose a veritable Greek chorus. Funny yet deeply moving, this "pitch perfect" (San Francisco Chronicle) novel delivers a thoughtful meditation on the power of storytelling. In Let Me Explain You, Annie Liontas explores our origins and family myths, the relationship between fathers and daughters, the complex bond of sisterhood, hunger and what feeds us, but "the novel's true heart is one filled with love and forgiveness" (Minneapolis Star-Tribune).
