Revised edition of the author's Economics, [2016]

Economics is continually changing and evolving in response to developments in the world economy. Macroeconomics, Thirteenth Canadian Edition, is modern and up to date with these changes. The current economic crisis and recession have been integrated throughout the text, making this resource the most relevant principles of economics text in the market. Topics and major issues facing the world's economies are clearly introduced to students without sacrificing the rigour and detail needed to teach this course.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For two-semester principles of economics courses. An intuitive and grounded approach to economics Get students to think like economists using the latest policy and data while incorporating global issues. Macroeconomics, 13th Edition builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. The text emphasizes real-world applications, the development of critical-thinking skills, diagrams renowned for their pedagogy and clarity, and path-breaking technology. Recognizing that some students find graphs hard to work with, the author developed the entire art program with the study and review needs of each individual student in mind. Also available with MyLab Economics By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. NOTE: You are purchasing a standalone product; MyLab(tm) Economics does not come packaged with this content. Students, if interested in purchasing this title with MyLab Economics, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the loose-leaf version of the text and MyLab Economics, search for: 0134833503 / 9780134833507 Macroeconomics, Student Value Edition Plus MyLab Economics with Pearson eText -- Access Card Package, 13/e Package consists of: 0134789156 / 9780134789156 Macroeconomics, Student Value Edition 0134789768 / 9780134789767 MyLab Economics with Pearson eText -- Access Card -- for Macroeconomics

This 13th edition has been revised and updated to offer economics students an introduction to economics and its core principles. New case studies and themed boxed examples, in-depth explanations and an expanded online resource centre will help students progress with their studies.
