We all know that the current education system has a problem and this problem need to be addressed. The current education system is failing to teach us the information we deserve to know about the modern world. Most subjects taught in the school system is irrelevant and can easily be found on google search. Many people leave

university with massive debt and end up doing a job they hate just to make ends meet. We live in a world where change is happening rapidly, but the education system is still not evolving. This book is written to talk about the truth behind the education system. It talks about what I wish teachers should have taught us from a very young age to help us make better decisions for the future. The book also reveals how now is the best time to take advantage to the use of technology and embrace online selling using Social Media Marketing and E-Commerce. I believe it is time for young entrepreneurs to rise and provide a lot of value using cutting edge technology as the internet is currently at its prime. There ' s a lot of truth inside this book that I encourage you to pick it up and have a read.
