tradition, included on UNESCO's Representative List of the Intangible Cultural Heritage of Humanity. This book is a translation of the beginning portion of this enormous corpus, covering all the events from Gesar's divine conception to his human birth and mischievous childhood to his coronation as king of Ling. Born in the pure lands the son of two wisdom deities, Gesar takes rebirth in the human realm in order to defeat the demon kings who had taken over the empires of Asia and to thus liberate the people from suffering. His jealous uncle Trothung proves to be the first major threat to this

goal, but Gesar outwits him every time using magic. In the last chapters of the book, he and Trothung's son face off in a high-tension horse race to decide who will win the throne of Ling and the hand of the coveted Princess Drugmo in marriage. Gesar's story is popularly read as an allegory, with Gesar representing the ideal of spiritual warriorship—that is, fearlessness in the face of obstacles on the path to enlightenment. Just as Gesar rides his flying steed, we too can ride the energy of dignity, confidence, and power that is inherent to us, subduing inner demons

and claiming victory.

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea

was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.
