MI VIDA EN AL QAEDA. LA HISTORIA DEL YIHADISTA DANÉS QUE

Where To Download Mi Vida En Al Qaeda Spanish Edition

Morten Storm siempre fue un yihadista poco convencional. Danés, pelirrojo y de metro ochenta y cinco de altura, pasó su adolescencia metiéndose en líos con su pandilla de motociclistas y entrando y saliendo de la cárcel. Hasta que un día leyó un libro sobre Mahoma que lo cautivó y se embarcó en una metamorfosis que lo llevaría a una escuela de yihadistas en Yemen, a llamar a su hijo Osama y a convertirse en amigo personal de Anuar al-Aulaki, el rostro más conocido de Al Qaeda en la península Arábiga. Durante diez años, Storm buscó darle sentido a su vida a través del salafismo más radical. Luego, tan rápido como había venido, su fe se diluyó y se dejó seducir por los cantos de sirena de las agencias de espionaje más importantes del mundo, muy interesadas en su red de contactos.

Edition
Así fue como acabó trabajando para los servicios secretos daneses, el MI5 y la CIA, en misiones de altos vuelos en las que durante cinco años se jugó la vida. Todas con un solo objetivo final: acabar con al-Aulaki.

A gripping account of life inside Al Qaeda traces the rise of the terrorist organization from an insider's perspective, documenting his role as a double agent working for the UK and French intelligence to infiltrate the group's training camps, detailing his own illegal activities with Al Qaeda, and profiling the top terrorist leaders, including Osama bin Laden.

The true story of a jihadi convert seeking redemption in “a rollicking read and a rare insider’s account of Western spying in the age of al Qaeda” (The New York Times Book Review). Standing over six feet tall

Where To Download Mi Vida En Al Qaeda Spanish

with flaming red hair, Morten Storm was an unlikely jihadi. But after a troubled youth in his native Denmark, Storm found peace and purpose in his conversion to Islam. His absolute devotion only grew after he attended a militant madrasa in Yemen, named his son Osama, and became close friends with American-born terrorist cleric Anwar al-Awlaki. Then, after a decade of jihadi life, he not only rejected extremism—he began a quest for atonement, becoming a double agent for the CIA as well as British and Danish intelligence agencies. Agent Storm takes readers inside the fanatical jihadist mindset and into the shadows of the world's most powerful spy agencies in an action-packed account that “reads like a screenplay for a James Bond movie written by Joel and Ethan Coen” (The Washington Post).

Where To Download Mi Vida En Al Qaeda Spanish

Edition Between 1994 and 2000, Omar Nasiri worked as a secret agent for Europe's top foreign intelligence services-including France's DGSE (Direction Générale de la Sécurité Extérieure), and Britain's MI5 and MI6. From the netherworld of Islamist cells in Belgium, to the training camps of Afghanistan, to the radical mosques of London, he risked his life to defeat the emerging global network that the West would come to know as Al Qaeda. Now, for the first time, Nasiri shares the story of his life-a life balanced precariously between the world of Islamic jihadists and the spies who pursue them. As an Arab and a Muslim, he was able to infiltrate the rigidly controlled Afghan training camps, where he encountered men who would later be known as the most-wanted terrorists on earth: Ibn al-Sheikh al-Libi, Abu Zubayda, and Abu Khabab al-Masri. Sent back to Europe with instructions to

form a sleeper cell, Nasiri became a conduit for messages going back and forth between Al Qaeda's top recruiter in Pakistan and London's radical cleric Abu Qatada.

Final report of the National Commission on Terrorist Attacks upon the United States.

Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States.

The al-Qaeda Organization (AQO) and the Islamic State Organization (ISO) are transnational adversaries that conduct terrorism in the name of Sunni Islam. It is declared U.S. Government (USG) policy to degrade, defeat, and destroy them. The

Where To Download Mi Vida En Al Qaeda Spanish Edition

present book has been written to assist policymakers, military planners, strategists, and professional military educators whose mission demands a deep understanding of strategically-relevant differences between these two transnational terrorist entities. In it, one shall find a careful comparative analysis across three key strategically relevant dimensions: essential doctrine, beliefs, and worldview; strategic concept, including terrorist modus operandi; and specific implications and recommendations for current USG policy and strategy. Key questions that are addressed include: How is each terrorist entity related historically and doctrinally to the broader phenomenon of transnational Sunni "jihadism"? What is the exact nature of the ISO? How, if at all, does ISO differ in strategically relevant ways from AQO? What doctrinal differences essentially

Where To Download Mi Vida En Al Qaeda Spanish

define these entities? How does each understand and operationalize strategy? What critical requirements and vulnerabilities characterize each entity? Finally, what implications, recommendations, and proposals are advanced that are of particular interest to USG strategists and professional military educators?

Several "pieces first published in The New Yorker recall the path terror in the Middle East has taken from the rise of al-Qaeda in the 1990s to the recent beheadings of reporters and aid workers by ISIS ... They include an ... impression of Saudi Arabia, a kingdom of silence under the control of the religious police; the Syrian film industry, then compliant at the edges but already exuding a feeling of the barely masked fury that erupted into civil war; [and] the 2006-11 Israeli-Palestinian
