Mary Berry's Mini Apple, Apricot, and Hazelnut Crumbles, in 3 steps These individual crumbles are scrumptious and so easy to make. You could also make one large crumble—use a 2 pint (1.2 liter) ovenproof dish...

DK | For the curious

Temperament: Mini Goldendoodles are non-aggressive, eager to please, and friendly, making them great companions. They play well with children and other animals, so they're a great choice for families. Mini Goldendoodles are the type of dog that loves having a job to do, which is part of the reason that they make such good service dogs.

Packed with facts, this miniature encyclopaedia is designed to be both fascinating and fun to use and covers a vast scope of information, from the Earth, its plants and animals, to its people and discoveries.

A reference book for young readers covering a wide range of topics from art and animals to new technology. Arranged thematically and illustrated with over 1500 photos, illustrations and diagrams. QR codes allow readers to access hundreds of carefully selected websites, downloadable pictures and quizzes—straight to a mobile phone or tablet. The best of both worlds: a traditional reference book to keep and pore over, plus the best and most up-to-date information on the web, accessed via the Usborne Quicklinks site and QR codes. All internet links are thoroughly researched, checked and monitored for quality and online safety.

NULL

A reference book for young readers covering a wide range of topics from art and animals to new technology. Arranged thematically and illustrated with over 1500 photos, illustrations and diagrams. QR codes allow readers to access hundreds of carefully selected websites, downloadable pictures and quizzes - straight to a mobile phone or tablet.

Contains experiments, activities, A-Z dictionary, review questions and suggested websites for each topic.

This little book is filled with charming illustrations of 60 different types of trees to spot. Short descriptions provide extra information, and children can keep track of the trees they have seen using the stickers to fill in the spotters chart inside.

Simple, yet informative text combines with extraordinary photographs, maps, animal facts and classification charts.
