Monty's Leap February 9, 2014 · · We rented the two-room cottage and the twenty acres of derelict land around it for £25 a year from an old Cornish family when we first came. Then we set about opening up the land, and creating small meadows which stretched down to the sea of Mount's Bay and resembled a vineyard.

Monty Python's Flying Circus hit the television screens in 1969, shocking and inspiring at the same time. The team who created the show were a bunch of highly educated young graduates, some from Cambridge and Oxford universities. Comedy as the world knew it would be changed forever.

The little stream known as Monty's Leap has become a symbol for those who contemplate changing the course of their lives. It mirrors the leap forward taken by Derek and Jeannie Tangye when they decided to leave their glamorous lives in London for an isolated cottage in Cornwall called Minack, accompanied by their cat Monty. Derek has continued to live at Minack after Jeannie's death, and this book is the story of his present way of life.

'Monty's Leap of Faith' is the story of a lovable, laid back exotic shorthair cat called Monty, who isn't the brightest feline in the world and has never left his garden because he can't jump. Monty's life changed when his owner started to foster cats for the local RSPCA and a variety of cats and kittens were welcomed into his home on a temporary basis. This story follows the antics of the first three kittens to be fostered and how they influenced Monty to finally leave the confines of his garden.Pumpkin, Pippa and Sooty are full of energy and so mischievous. The kittens see Monty as their hero and are eager for his attention though Monty isn't quite as keen on the idea. They cause chaos in his home climbing on kitchen cupboards, up the curtains and digging up house plants. Monty watches the kittens and is enthralled by their energy and agility, realising he is missing out on the fun he decides it's time he learnt to jump. Eventually Monty takes a leap into the unknown.This book follows the journey of new beginnings for Monty and the three kittens.

Tells in more detail the story of Derek and Jeannie's beloved ginger cat Monty. From the first moment Derek, who was not until then a cat-lover, met a tiny bundle of fur with Jeannie, through to the pet's old age when he would still walk down to the stream to make 'Monty's Leap', this is a touching story of friendship between two people and their cat.

Historian John Buckley offers a radical reappraisal of Great Britain ' s fighting forces during World War Two, challenging the common belief that the British Army was no match for the forces of Hitler ' s Germany. Following Britain ' s military commanders and troops across the battlefields of Europe, from D-Day to VE-Day, from the Normandy beaches to Arnhem and the Rhine, and, ultimately, to the Baltic, Buckley ' s provocative history demonstrates that the British Army was more than a match for the vaunted Nazi war machine.div /DIVdivThis fascinating revisionist study of the campaign to liberate Northern Europe in the war ' s final years features a large cast of colorful unknowns and grand historical personages alike, including Field Marshal Sir Bernard Montgomery and the prime minister, Sir Winston Churchill. By integrating detailed military history with personal accounts, it evokes the vivid reality of men at war while putting long-held misconceptions finally to rest./DIV

It's hard to believe MONTY PANESAR only arrived on the international cricketing scene in March 2006. His electric performances against India and in the Ashes series saw him catapulted to hero status in a matter of months, and widely rated as England's best spin bowler for 30 years. In MONTY'S TURN, Panesar takes a look at his extraordinary rise to stardom. Taught spin bowling by a friend of his father, Hitu Naik, his first experience of league cricket was with the Luton Town and Indians CC. His raw talent and utter dedication to his craft as a bowler soon saw him signed to Northamptonshire before he had completed his degree at Loughborough. Since his call-up to the England senior squad, Panesar's life has been a whirlwind of headlines and hero worship. The national outcry that met his exclusion from the first two Ashes Tests placed the weight of a despondent England's expectations on his comparatively inexperienced shoulders, but Panesar responded to the pressure with a scorching performance. Famously the first Sikh to represent a nation other than India in Test cricket, Monty credits his religion for his discipline in the nets - and it is this dedication along with his scintillating talent and unique celebration style that have made him a national treasure. He has declared his ambition to be the best, and it would seem that now it truly is time for MONTY'S TURN.

The Men Behind Monty examines the role played by the staff in the victorious campaigns of Field Marshal Viscount Montgomery, Britain's most successful field commander since the Duke of Wellington.When Monty took command of Eighth Army in August 1942, he inherited the staff of his predecessor. He retained all the key members and most of them stayed with him not only from El Alamein to Tunis, but also in Sicily and Italy. When he took command of 21st Army Group in January 1944, many accompanied him to take up the most prominent positions on the HQ staff and the majority remained until the German surrender in May 1945.This fascinating work focuses not only on the senior officers responsible for the various staff branches, and notably on Monty's outstanding Chief of Staff, Freddie de Guingand, but also on his personal staff, the ADCs and personal liaison officers.The book sheds light on the work of the staff generally, and on their direct contribution to Monty's decisions, his sometimes difficult and controversial relationships with his superiors and allies.

The 51st Highland Division was the most famous infantry division that fought with the British Army in WW2. It was the only infantry division in the armies of the British Empire that accompanied Monty from during Alamein to BerlinAfter the 1940 disaster at St Valry when many were killed or captured, the re-formed 51st were a superlative division, brilliantly inspired and led. The Highway Decorators (after their famous HD cypher) fought with consummate success through North Africa and Tunisia and from Normandy into the heart of Germany. Blooded at Alamein where they suffered over 2000 casualties they pursued the Afrika Korps via Tripoli and Tunis fighting fierce battles along the way. They lost 1,500 men helping to liberate Sicily. Back to the UK for the second front, the Highlanders battled their way through Normandy bocage, the break-out to the Seine, triumphal re-occupation of St Valry, and were the first troops to cross the Rhine, fighting on to Bremen and Bremerhaven. In the eleven months fighting in NW Europe in 1944 and 1945 the Highlanders suffered more than 9000 casualties.

A genealogical history to the present day enlivened by anecdotes of the Bicheno ancestors An eminently readable book, which is a template for anyone who might wish to write a family history, one hopes with as much humour and flair as this volume.
