The fourth edition now brings the book up-to-date with the latest developments in office technology and practice. It has also been revised to incorporate the latest standards for NVQ Business Administration 1 and 2.

Elegantly repackaged, The Morning Pages Journal is one of The Artist's Way's most effective tools for cultivating creativity, personal growth, and change. Now more compact and featuring spiral binding to make for easier use, these Morning Pages invite you to do three pages daily of longhand writing, strictly stream-of-consciousness, which provoke, clarify, comfort, cajole, prioritize, and synchronize the day at hand. This daily writing, coupled with the twelve-week program outlined in The Artist's Way, will help you discover and recover your personal creativity, artistic confidence, and productivity. The Artist's Way Morning Pages Journal includes an introduction by Julia Cameron, complete instructions on how to use the Morning Pages and benefit fully from their daily use, and inspiring quotations that will guide you through the process.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
