The Klingon Empire is on the verge of collapse, and to save themselves they propose to make peace with the Federation. Captain James T. Kirk and the USS Enterprise are given the task of protecting the Klingon Chancellor, but then an assassin strikes.

In anticipation of Walt Disney Pictures' high-tech adventure, TRON: LEGACY, which hits U.S. theaters in Disney Digital 3D and IMAX 3D on December 17, 2010 - Marvel Comics is proud to bring you a stunning new visualization of the first TRON film. Adapted by legendary scribe PETER DAVID (X-Factor, The Dark Tower) and stunningly illustrated by MIRCO PIERFEDERICI (X-Men Legacy, Dark Wolverine)!

Internal pressures, enormous military expenditures, and the destruction of their primary energy source have brought the Klingon Empire to the verge of catastrophic collapse. To avert disaster, Gorkon, Chancellor of the Klingon High Council, proposes negotiations between the Federation and Klingon Empire, negotiations that will put an end to the years of hostility between the two powers, and herald a new era of peace and cooperation. Captain James T. Kirk and the U.S.S. Enterprise are dispatched to escort the Chancellor safely into Federation space. But a treacherous assassination brings negotiations to a sudden halt and places Kirk and Dr. McCoy in the hands of the Federation's greatest enemy. With time running out, Spock and the Enterprise crew work to uncover the deadly secret that threatens to propel the galaxy into the most destructive conflict it has ever known.

Witness the Aftermath of the stunning second season of Star Trek: Discovery! An all-new graphic novel that ties directly into Season Two of the hit CBS All Access series! After the disappearance of the U.S.S. Discovery, Captain Pike and Chancellor L'Rell seek to forge a peace treaty between the Federation and the Klingons. But when a new enemy threatens to sabotage the negotiations, Spock must reclaim his place in Starfleet to save his friends and prevent the outbreak of a new war!
