Ding dong! Flush! Moo! Roar! What's that sound? Press the buttons to find out! Listening is an important part of language development, and Twirl's first sound book will engage very young children as they explore sounds and words found in familiar settings, and perhaps some not-so-familiar ones. The 20-button sound panel includes 100 sounds and words; each button accompanies a spread where the actions, objects, and animals are named, followed by the appropriate sounds. From sounds in the home and on the street to sounds in the jungle and even in the ocean, little ones will be able to quickly identify sounds and name the animals and objects that make them. Big sounds for little ears!
