"A whimsical assortment of havoc-wreaking animals help inspire a young girl to turn her rotten day around"--

A touching and heartwarming picture book about adoption, acceptance, and inclusion. *A Crocodile in the Family* is a charming children's story about a family of birds who stumble across a lone egg in the Australian bush. After taking it home to care for the egg themselves, they discover it's actually a baby crocodile! The bird family raises the baby crocodile as one of their own, and as their community continues to ask questions about their reason why they keep him, the family says the answer is simple. Because he belongs, that's why! With a story that captures your heart and stunning illustrations, *A Crocodile in the Family* is the perfect children's book about what makes a blended family so beautiful.

Explore an informative, playfully illustrated story about one of the world's most dangerous animals: the crocodile. You probably know a little about crocodiles already. They're reptiles, they have an awful lot of teeth, and they're pretty scary -- at least, the big ones are! They're not very fussy about what they eat, and when it comes to hunting down dinner, crocodiles are very determined . . . and very cunning. But there's more to crocodiles than just their appetites. They love to nap on warm sandbanks and cool off in calm waters, and crocodile mothers are very gentle with their babies. This fascinating look at one of Earth's most infamous creatures is full of information for amateur scientists, with back matter that includes an index, notes on species, and suggestions for further reading.

Princess Cora is bored with her routines of life, so she asks her fairy godmother to help.

When Mr Underbed keeps him awake at night, shaking the bed and snoring loudly, Jim reaches for his earmuffs... only to get more than he bargained for! Sparking controversy in 2017 when it was compared to the Moz the Monster John Lewis Christmas ad, this classic picture book is the perfect monster under the bed tale, packed to the rafters with humour.
