In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."

GET READY for THE TESTAMENTS, the highly anticipated SEQUEL, by reading the BESTSELLING DYSTOPIAN NOVEL NOW AN AWARD-WINNING TV SERIES STARRING ELISABETH MOSS Offred is a Handmaid in The Republic of Gilead, a religious totalitarian state in what was formerly known as the United States. She is placed in the household of The

Commander, Fred Waterford - her assigned name, Offred, means 'of Fred'. She has only one function: to breed. If Offred refuses to enter into sexual servitude to repopulate a devastated world, she will be hanged. Yet even a repressive state cannot eradicate hope and desire. As she recalls her pre-revolution life in flashbacks, Offred must navigate through the terrifying landscape of torture and persecution in the present day, and between two men upon which her future hangs. Masterfully conceived and executed, this haunting vision of the future places Margaret Atwood at the forefront of dystopian fiction. 'As relevant today as it was when Atwood wrote it...no television event has hit such a nerve ...The Handmaid's Tale is more relevant one year after the first season' Guardian 'Don't expect to be gripped by a more potent or involving drama this year' Telegraph

A New York Times bestselling modern masterpiece that "reminds us of the power of truth in the face of evil" (People)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*. "Atwood's powers are on full display" (Los Angeles Times) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood. More than fifteen years after the

Get Free The Handmaids Tale Margaret Atwood

events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

MOST LOVED. MOST RED. Ten must-read modern classics. 'Nolite te bastardes carborundorum. Don't let the bastards grind you down.' Imagine a world where women's bodies are controlled by men. Where society has descended into religious patriarchy and censorship. Where the environment has been destroyed and a powerful few hold the reins to all wealth and freedom. Welcome to Gilead. This is the story of Offred, a Handmaid forced into sexual servitude, in the country once known as the USA. Atwood's *Handmaids* have become a symbol of feminist resistance. This masterpiece blurs the boundaries between fiction and news headlines. **WITH A NEW INTRODUCTION BY NAOMI ALDERMAN**

Get Free The Handmaids Tale Margaret Atwood

In this seminal work of speculative fiction, the Booker Prize-winning author asks: In the world of the near future, who will control women's bodies? Soon to be a 10-episode TV series produced by MGM Television, starring Elizabeth Moss (Madmen), Samira Wiley (Orange is the New Black), Joseph Fiennes, and Max Minghella Offred is a Handmaid in the Republic of Gilead. She may leave the home of the Commander and his wife once a day to walk to food markets whose signs are now pictures instead of words because women are no longer allowed to read. She must lie on her back once a month and pray that the Commander makes her pregnant, because in an age of declining births, Offred and the other Handmaids are valued only if their ovaries are viable. Offred can remember the days before, when she lived and made love with her husband Luke; when she played with and protected her daughter; when she had a job, money of her own, and access to knowledge. But all of that is gone now... Funny, unexpected, horrifying, and altogether convincing, The Handmaid's Tale is at once scathing satire, dire warning, and literary tour de force.

This beautiful edition of Margaret Atwood's seminal work of speculative fiction features a leatherette cover, gilt edging, and ribbon marker--a perfect gift for book lovers and fans of the Hulu

Get Free The Handmaids Tale Margaret Atwood

series. The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population. The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. The Handmaid's Tale is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

The stunning graphic novel adaptation • A must-read and collector's item for fans of "the patron saint of feminist dystopian fiction" (New York Times). Look for The Testaments, the sequel to The Handmaid's Tale, coming September 2019. In Margaret Atwood's

Get Free The Handmaids Tale Margaret Atwood

dystopian future, environmental disasters and declining birthrates have led to a Second American Civil War. The result is the rise of the Republic of Gilead, a totalitarian regime that enforces rigid social roles and enslaves the few remaining fertile women. Offred is one of these, a Handmaid bound to produce children for one of Gilead's commanders. Deprived of her husband, her child, her freedom, and even her own name, Offred clings to her memories and her will to survive. Provocative, startling, prophetic, *The Handmaid's Tale* has long been a global phenomenon. With this beautiful graphic novel adaptation of Margaret Atwood's modern classic, beautifully realized by artist Renée Nault, the terrifying reality of Gilead has been brought to vivid life like never before.

A box set of Margaret Atwood's bestselling companioned novels, *The Handmaid's Tale* and *The Testaments*. In *The Handmaid's Tale*, environmental disasters and declining birthrates have led to a Second American Civil War and the rise of the Republic of Gilead, a totalitarian regime that enforces rigid social roles and enslaves the few remaining fertile women. Offred is one of these, a Handmaid bound to produce children for one of Gilead's Commanders. Deprived of her husband, her child, her freedom, and even her own name, Offred clings to her memories and her will to survive. In *The Testaments*, set more

than fifteen years after the events of *The Handmaid's Tale*, the Republic of Gilead maintains its repressive grip on power, but it is beginning to rot from within. At this crucial moment, the lives of three radically different women come together, with potentially explosive results. This beautifully designed slipcase will make the perfect holiday and perennial gift.

Ce recueil bilingue consacré à l'écrivain canadien Margaret Atwood, reconnue comme l'une des figures dominantes de la littérature d'expression anglaise, contient l'intervention qu'elle a prononcée à Rennes en novembre 1998 sur son roman *The Handmaid's Tale* (La Servante écarlate) et sur le genre auquel il appartient. Le roman, inscrit aux programmes 1999 du CAPES et de l'Agrégation d'anglais, a été l'un des plus grands succès littéraires des années 80 aux Etats-Unis, au Canada et en Grande-Bretagne. Utopie, dystopie, satire, ou fiction spéculative, ce texte au scénario terrifiant s'inscrit à l'intérieur du courant postmoderne. Cet ouvrage rassemble des études du roman qui ont été présentées en décembre 1998 au Colloque Margaret Atwood organisé par le Centre d'Etudes Canadiennes de Rennes. Les auteurs analysent le texte sous différents éclairages : ils explorent les rapports entre littérature et société, politique et poétique, langage et organisation de la cité, et examinent les stratégies de

Get Free The Handmaids Tale Margaret Atwood

détournement mises en œuvre. This bilingual collection devoted to Canadian writer Margaret Atwood, one of the best-known figures in the field of English language literature, contains the address that she pronounced in Rennes in November 1998 on her novel *The Handmaid's Tale* - one of the greatest literary successes of the 80's in the United States, Canada, and Great Britain - as well as on the genre to which it belongs. Whether it be a utopia, dystopia, satire, or else speculative fiction, the text with its terrifying scenario belongs to the postmodernist movement. This volume brings together studies of the novel that were presented in December 1998 at the Margaret Atwood Conference organised by the Centre d'Etudes Canadiennes of Rennes. The authors analyse the work from different perspectives - they explore the relationship between literature and society, politics and poetics, communication and community, and they study the strategies of resistance and displacement set up by the writer.
