The Patron Saint Of Butterflies) One who was an adult at Mount Hope, Laura Mead Jones, describes the author, Cecilia Galante, as a woman who lived the life of the children described in The Patron Saint of Butterflies. "Cecilia Galante was born at Mt. Hope and her book is something of a parody of life as seen through the eyes of many of her generation."

Angels can also be named as patron saints. A patron saint can help us when we follow the example of that saint's life and when we ask for that saint's intercessory prayers to God. For example, Francis of Assisi loved nature and so he is patron of ecologists. Francis de Sales was a writer and so he is patron of journalists and writers.

Agnes and Honey have always been best friends, but they haven't always been so different. Agnes loves being a Believer. She knows the rules at the Mount Blessing religious commune are there to make her a better person. Honey hates Mount Blessing and the control Emmanuel, their leader, has over her life. The only bright spot is the butterfly garden she's helping to build, and the journal of butterflies that she keeps. When Agnes's grandmother makes an unexpected visit to the commune, she discovers a violent secret that the Believers are desperate to keep quiet. And when Agnes's little brother is seriously injured and Emmanuel refuses to send him to a hospital, Nana Pete takes the three children and escapes the commune. Their journey begins an exploration of faith, friendship, religion and family for the two girls, as Agnes clings to her familiar faith while Honey desperately wants a new future.

Marin spends a lot of time avoiding things. She avoids thinking about her mother ' s suicide and what she could have done to prevent it. She avoids looking at people directly—because she can see their pain as bright, colorful shapes. And she avoids Cassie Jackson, who used her in a sinister ritual months ago, although Marin ' s not exactly sure why. When Cassie stands up at school, screaming, raking her nails down her cheeks, and pointing a finger at Marin, whispering " YOU, " Marin ' s days of avoidance come to an abrupt end. Cassie ' s older brother believes that Marin holds the secret to Cassie ' s illness. So they team up to solve the mystery of what Cassie has unleashed. But as they look deeper into the darkness, can Marin trust what she sees? Cecilia Galante, author of The Patron Saint of Butterflies, presents a chilling story with horror-movie thrills and nail-biting suspense. Perfect for fans of American Horror Story, Paranormal Activity, and The Exorcist, and readers who love to feel goose bumps. Praise for Be Not Afraid: "Galante crafts a chilling atmosphere in this slowly simmering horror story."--Publishers Weekly "Recommended for fans of the author and Katherine Howe's Conversion and Danielle Vega's The Merciless." --SLJ "Well-executed and decorated with some top-notch horror elements; readers who don't love this sort of suspense will find refuge in the romantic [subplot]. . . . A quick, freaky read." --Kirkus Reviews

Catholic lore, American tales, and Sicilian superstition blend in this " clever, funny, heartbreaking, and heartwarming " novel (Publishers Weekly). Born with unruly red hair, a sharp tongue, and wine-colored marks all over her body—marks that oddly mimic a map of the world and make her subject to endless ridicule—Garnet Ferrari would hardly consider herself blessed. So when an emissary from the Vatican shows up at her door, convinced that her seeming ability to cure the skin ailments of others qualifies her for sainthood, she ' s not quite convinced—or pleased. Garnet sets off on a quest to better understand who she is and where she and her unusual gifts came from. Tracing a twisted path that leads from Sicily to West Virginia, poverty to riches, romance to loss, reality to mythology, Garnet uncovers a truth far more powerful than any dermatological miracle: that the things of which we are most ashamed often become our greatest strengths. " A cleverly, touching fable of a girl learning the hard truths about herself and others. " —Kirkus Reviews

Julia just graduated as her high school valedictorian, has a full ride to college in the fall and a coveted summer internship clerking for a federal judge. But when her older sister, Sophie, shows up at the graduation determined to reveal some long buried secrets, Julia's carefully constructed plans come to a halt. Instead of the summer she had painstakingly laid out, Julia follows Sophie back to Vermont, where Sophie is opening a bakery-and struggling with some secrets of her own. What follows is a summer of revelations-some heartwarming, some heartbreaking, and all slowly pointing Julia toward a new understanding of both herself and of the sister she never really knew.

Wren Baker has never felt brave a day in her life. She doesn't even know what she's afraid of, really. Only that if she raises her voice or leaves her mark or ventures too far from home, she'll risk falling flat on her face. But that all changes when Wren's cousin, Silver, walks into her life. Silver is totally fearless. Maybe that's why she's the most popular girl in the sixth grade. She dares Wren to take risks, to live out loud, to finally spread her wings. And when Silver decides to undertake the journey of a lifetime, Wren is forced to make a decision: Is she in or is she out? There's only one way Wren will ever learn to fly. It's time for her to stand at the edge of the unknown...and jump. Full of heartache and hope, The World From Up Here is a tender, moving story about old secrets and new friendships, anxiety and Asperger syndrome, and what it means to face the things that scare us most.

Willa Bean, who wants to master flying before starting school at Cupid Academy, celebrates her unconventional looks and unique personality, but struggles to accept that cupids learn how to fly at different times.

From the award-winning author of The Patron Saint of Butterflies and The World from Up Here comes a story of a girl who finds friendship where she least expects it.

"A joy to read."—New York Times Book Review
From beloved bestselling author Ursula Hegi, a new novel about three mothers, set on the shores of the Nordsee, perfect for fans of Water for Elephants and The Light Between Oceans. In the summer of 1878, the Ludwig Zirkus arrives on Nordstrand in Germany, to the delight of the island ' s people. But after the show, a Hundred-Year Wave roars from the Nordsee and claims three young children. Three mothers are on the beach when it happens: Lotte, whose children are lost; Sabine, a Zirkus seamstress with her grown daughter, and Tilli, just a girl herself, who will give birth later that day at St. Margaret ' s Home for Pregnant Girls. After the tragedy, Lotte ' s husband escapes with the Zirkus, while she loses the will to care for their surviving son. Tilli steps in, bonding with him in a way she isn ' t allowed to with her own baby, taken away at birth. Sabine, struggling to keep her childlike daughter safe in the world, forms a complicated friendship with Lotte. But the mothers' fragile trio is threatened when Lotte and her husband hatch a dangerous plan to reunite their family, and Tilli and Sabine must try to find a way to pull them back to reality. As full of joy and beauty as it is of pain, and told with the luminous power that has made Ursula Hegi a beloved bestselling author for decades, The Patron Saint of Pregnant Girls is a shining testament to the ways in which women hold each other up in the most unexpected of circumstances.

Cupid Willa Bean does not want to admit that she does not like flying high, or in the dark, but during a sleepover she has to face her fears.

In the vein of Meg Donohue and Sarah Jio, Cecilia Galante ' s second novel delivers the powerful story of one young woman who ' s faced with an impossible choice—one that could have her making the biggest mistake of her life. Thirteen days, That ' s all Bernadette, " Bird, ". Sincavage has left to go until she ' s done with her probation and can be free again. Free from making payments to the supermarket she wrote bad checks to. Free from living at home with her overzealous mother who ' s constantly nagging her about attending church again. Free to give her four-year-old son, Angus, the normal life he deserves. Her impending freedom and move to Moon Lake, where she ' s plunked down a deposit on a brand new apartment, is so close she can almost taste it. What trouble could she possibly get into in just thirteen days? But trouble does follow in the form of James Rittenhouse—someone she worked with a few years ago. At first, Bird is stunned to see James make the evening news when he ' s arrested for assaulting someone in a local bar. But that ' s nothing compared to the shock she gets when she discovers James hiding out in an abandoned church choir loft. Somehow he escaped police custody, broke his leg, and got his hand on a gun, which he ' s now pointing at her. Although Bird doesn ' t tell anyone she saw James, there ' s no way she ' s helping him. She can ' t screw up her probation or her second chance for a new future. And she has her son ' s welfare to think about. Still, if only she could stop thinking about the terrified look in James ' eyes and the fact that he ' s hurt. If only she could forget that once, long ago, James helped her out, and she owes him a debt like no other. Will Bird jeopardize her future for someone who helped her out in the past? A past that holds secrets she ' s not quite sure she ' s ready to face? Or will she turn a blind eye and learn to live with the consequences?
