Book

prosocial consilience.

The first book to specifically address the relationship between social work and volunteers, *Social Work with Volunteers* examines the current shift in social welfare services and the growing need to develop effective partnerships with

# Read Online Volunteerism

volunteers. As the primary profession in the development, provision, and evaluation of social services, social workers are in a position to shape how agency administrators, direct staff, and volunteers work together to provide services.

Using the

# Read Online Volunteerism

groundbreaking  
Context-Specific  
Behavior  
Optimal Partnership  
Theory Lyceum  
(CSOP) model, the  
author demonstrates  
how social workers in  
all areas of practice  
can work with  
volunteers to create a  
positive change.  
Social Work with  
Volunteers is  
organized around  
three basic themes:

# Read Online Volunteerism

volunteerism as a complex behavioral and social phenomenon, the historical relationship between social work and volunteers, and the development and application of the CSOP model.

# Read Online Volunteerism And Human

The topic of prosocial behavior (e.g. fairness, solidarity, and altruism) has recently shifted back into the center of attention in a variety of disciplines, ranging from economics across sociology and psychology towards biology. It is now a well-accepted fact in

# Read Online Volunteerism

All human sciences  
that human behavior  
is not always  
governed by egoism  
and selfish motives.

Unfortunately, this  
does not explain why  
humans also act  
blatantly selfish and  
are blind to the  
suffering of others.

This book is a  
response to the  
quandary. It brings

# Read Online Volunteerism

together leading researchers in sociology and psychology to explain human egotism and altruism using not only their area of study but also bringing in research from economics and biology. Since this work brings together the research of many different disciplines, a
