Balkans war: a brief guide - BBC News
Third Balkan War (1991-Present)-The breakup of Yugoslavia can be seen as one long conflict divided into at least nine (and counting) separate wars, rebellions and uprisings, all which involve parts of the disintegrated Balkan nation. Yugoslav Civil War (1991-1992)-The breakup of Yugoslavia as one nation, involved two separate but related wars. The

Comprehensive History Of R. Craig Nation

In the early 1990s, the Balkan country of Yugoslavia fell apart in a series of wars which saw ethnic cleansing and genocide return to Europe. The driving force was not age-old ethnic tensions (as the Serb side liked to proclaim), but distinctly modern nationalism, fanned by the media and driven by politicians.

Armed conflict on the territory of the former Yugoslavia between 1991 and 2001 claimed over 200,000 lives, gave rise to atrocities unseen in Europe since the Second World War, and left behind a terrible legacy of physical ruin and psychological devastation. Unfolding against the background of the end of cold war bipolarity, the new Balkan wars sounded a discordant counterpoint to efforts to construct a more harmonious European order, were a major embarrassment for the international institutions deemed

responsible for conflict management, and became a preoccupation for the powers concerned with restoring regional stability. After more than a decade of intermittent hostilities the conflict has been contained, but only as a result of significant external interventions and the establishment of a series of de facto international protectorates, patrolled by UN, NATO, and EU sponsored peacekeepers with open-ended mandates.

Exposing the true scale and significance of the deployment of air power in the Balkans, this book details the activities of NATO and UN aircraft as well as local pilots in the former Yugoslavia. From bombing by B-2 stealth bombers to air-to-air combat; from moving ground troops by helicopter to 'food-bombing' for

Read Online War In The Balkans 1991 2002

refugees, air power has played a vital role in 'Europe's Vietnam', and there is little sign that the fires of conflict are being extinguished. Debate amongst air power practitioners has yielded little agreement as to the degree of damage inflicted on the Yugoslav 3rd Army in Kosovo, the Balkans continue to be a region of conflict and ethnic hatred.

Armed conflict on the territory of the former Yugoslavia between 1991 and 2001 claimed over 200,000 lives, gave rise to atrocities unseen in Europe since the Second World War, and left behind a terrible legacy of physical ruin and psychological devastation. more harmonious European order, were a major embarrassment for the international institutions deemed responsible for conflict management, and became a preoccupation for the powers concerned with restoring regional stability. After more than a decade of intermittent hostilities the conflict has been contained, but only as a result of significant external interventions and the establishment of a series of de facto international protectorates, patrolled by UN, NATO, and EU sponsored peacekeepers with open-ended mandates. The 1990s saw numerous regional conflicts, Haiti, Colombia, Tajikistan, the Caucasus, Chechnya, Afghanistan, Nepal, Sri Lanka, the Middle East, Somalia, Sudan, Rwanda, Sierre Leone, Congo, that were comparable to or, in some cases, more destructive than the

Read Online War In The Balkans 1991 2002

Balkan war. Few of these contests have received anything like the intense scrutiny devoted to the Balkans, for reasons good and bad. The Balkans is a part of Europe, and therefore more accessible to scrutiny by the international media, and engagement by external powers, than conflicts waged in less developed and approachable regions. The atrocities committed in the Balkans were no more or less lamentable than those carried out in parallel conflicts in Africa, Latin America, or Asia, but they were prominently displayed and extensively discussed on televised news reports. The resulting impact on elite and public opinion made the Balkan conflict politically compelling, it was a war that could not be ignored. The Balkans has been an object of international political competition for

Read Online War In The Balkans 1991 2002

centuries, and many of the great European and Eurasian powers have long-standing interests in the region. Once the stasis of the cold war system was broken, traditional perceptions of interest were quick to reemerge, perhaps to the surprise of the contending parties themselves. From the outset, therefore, the Balkan war was shaped by great power intervention, whether in support of local allies, in the name of conflict resolution, or with an eye to the long-term benefits to be derived from geopolitical realignment in what was still regarded as a strategically relevant world region. The Balkan conflict was a part of the generic phenomenon of post-communist transition in Central and Eastern Europe as a whole, a dynamic with major implications for international

Read Online War In The Balkans 1991 2002

relations. It has likewise, and correctly, been perceived as a kind of testing ground for international conflict management efforts in the post-cold war era.

This book was written to address the need for a comprehensive history of the Balkan wars provoked by the collapse of the Yugoslav Federation in 1991. These wars, and the instability that they have provoked, became preoccupations for international security management through the 1990s. After an initial phase of distancing and hesitation, Balkan conflict drew the United States and its most important European allies into an open-ended commitment to peace enforcement, conflict management, and peace-building in the region, importantly supported by the U.S.

Read Online War In The Balkans 1991 2002

Army. These efforts are still underway, and significant tensions and potential flashpoints remain in place within former Yugoslavia and the entire Southeastern European area. The lessons learned from the new Balkan wars, and the successes and failures of U.S. and international engagement, provide a significant foundation for future efforts to manage intractable regional conflict. Dr. Nation's work has been supported by a research grant provided by the U.S. Army War College, and is published under the auspices of the Strategic Studies Institute. The Army War College's primary mission is to prepare new generations of strategic leaders to assume positions of responsibility within the U.S. armed forces and civilian arms of the national security system. That mission includes a

Read Online War In The Balkans 1991 2002

serious confrontation with the most pressing security issues of our time, to include the nature of contemporary armed conflict and the changing nature of war itself. The Balkan conflict of the 1990s, as a case study in state failure and medium intensity warfare, international conflict management and intervention, and U.S. military engagement, provides an excellent framework for asking basic questions about the dynamic of international security at the dawn of a new millennium. War in the Balkans, 1991-2002 is intended to provide a foundation for addressing such questions by surveying events in both contemporary and larger historical perspectives and posing preliminary conclusions concerning their larger meaning. outline to the violent decline and fall of socialist Yugoslavia. The policies of the international community in the Yugoslav imbroglio have been criticized widely as ineffective. However, in the end, after years of futility, the conflict could be contained only by a significant international military intervention spearheaded by the United States, and a long-term, multilateral commitment to post-conflict peace-building. Few would wish to pose the outcome as a model to be emulated, but it should be a case from which we can learn.

In this third fully revised and updated discussion of the five-year conflict in the former Yugoslavia, Misha Glenny looks ahead to the uncertain future in this turbulent region. It is an eyewitness chronicle of the struggle for independence for Croatia and Slovenia.

This book, by Dr. R. Craig Nation, was written to address the need for a comprehensive history of the Balkan wars provoked by the collapse of the Yugoslav Federation in 1991. These wars, and the instability that they have provoked, became preoccupations for international security management through the 1990s. After an initial

Read Online War In The Balkans 1991 2002

phase of distancing and hesitation, Balkan conflict drew the United States and its most important European allies into an open-ended commitment to peace enforcement, conflict management, and peace-building in the region, importantly supported by the U.S. Army.

Kosovo Greece Turkey

All of the wars that have wracked the former Yugoslavia since 1991 involved outside powers. Those outsiders--notably, the United States, the leading members of the European Union, and Russia--did not prevent the forces of ethnic nationalism from destroying a once relatively stable and productive country. Not until late 1995 did outside powers induce representatives of the three warring parties to sign an agreement finally ending the savage war over the future

Read Online War In The Balkans 1991 2002

of the former Yugoslav republic of Bosnia and Herzegovina. The nature, scope, and meaning of the actions and inactions of outsiders is the subject of this book. Why did the victors in the Cold War and the 1991 Gulf War not act to stop the slaughter? Will the fissures in the Western alliance induced by the war in Bosnia corrode still further the relationships among the alliance's principal members? Will they widen the gap between Russia and the West? What can outside powers do now to help heal the terrible wounds caused by Yugoslavia's wars? What are the prospects for the agreement the three sides initialed at Dayton, Ohio? These are among the questions addressed by the nine specialists on international relations who have contributed to this book. Besides the editor, the contributors include
