Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

reloading manual is the only one from a major bullet manufacturer of which I am aware that provides separate.30-06 Sprg data for the M-1 Garand. It's worth the money, IMHO, just for that. It has also been updated to provide information for Hornady's ELD and ELD-X bullets. While it lacks the ballistic tables
