Indonesian Political Economy: A Historical Analysis - The Rest

Indonesia was formerly known as the Dutch East Indies (or Netherlands East Indies). Although Indonesia did not become the country's official name until the time of independence, the name was used as early as 1884 by a German geographer; it is thought to derive from the Greek indos, meaning "India," and nesos, meaning "island." After a period of occupation by the Japanese (1942-45 ...
