You don't need to step into the ring to forge the lean, muscular frame of a professional boxer or MMA fighter. Build the body of a fighter with this 12-workout program you can do in one month.

Get a Fighter's Physique: Best 4-Week Workout Program

One might think of eggs, tuna, peanuts, peanut butter and dairy food like cheese, yogurt and many others. What you need to keep in mind is that a boxer's diet is not similar to the weightlifter's diet. While the latter can afford to have a full jar of peanut butter, the first one does not. Keep your portions acceptable and reasonable.
