between this and other Federation vessels of its type is its lack of weaponry. The ship does have good deflectors, but they are for the protection of the crew against unknowns rather than against hostiles. The Karekh is used to explore areas not deemed important enough to warrant large ships, or as initial exploration ships to deter-

History. Jordan Weisman of FASA sought out one of the biggest licenses in the space adventure genre - Star Trek - and received it in 1982.: 120 Weisman and L. Ross Babcock III looked out-of-house for a Star Trek design team. Over the next several months FASA rejected four different designs for the game, largely because they all focused too much on combat, which did not fit with Gene Rodenberry ...
