Fateful Harvest The True Story

It seems unbelievable, outlandish -- but what if it's true? A riveting exposé, Fateful Harvest tells the story of Patty Martin -- the mayor of a small Washington town called Quincy -- who discovers American industries are dumping toxic waste into farmers' fields and home gardens by labeling it "fertilizer." She becomes outraged at the failed crops, sick horses, and rare diseases in her town, as well as the threats to her children's health.
