Project Gutenberg has never received any trademark royalty payments from Amazon or Amazon resellers or imprints. For older (pre-1923) content, there is a good chance that Project Gutenberg has it free of charge, but Amazon will charge money for it. Of course there might be advantages to the non-free version (such as better formatting).

### Gutenberg:MobileReader Devices How-To - Gutenberg

Global access to information is a laudable goal: as the author points out, "If knowledge indeed is power, then a global information structure could empower people around the world by improving their access to information" (p.??\_?\_Pub Fmt interword-space>53). People have been reaching toward this goal, as the title says, since Gutenberg.

### From Gutenberg to the global information infrastructure ...

From Gutenberg to Google is a concise book that covers much historical ground. The tradeoff in readability and brevity is too little in the way of forecasting. What books do you like that situate a discussion of the future in an analysis of the past? What are you reading?
