Future of Cities | McKinsey & Company

Future in NC Interstate 42 is a 137 mile planned interstate route from I-40 south of Raleigh to Morehead City mostly along existing US 70. AASHTO gave approval to the number in May 2016, though originally NCDOT asked that the route be designated I-36, after the corridor was granted interstate status under the 2015 Fixing America's Surface Transportation (FAST) Highway Act.

Smart City Trends | Deloitte Insights

What makes a city smart? Smart cities put data and digital technology to work to make better decisions and improve the quality of life. More comprehensive, real-time data gives agencies the ability to watch events as they unfold, understand how demand patterns are changing, and respond with faster and lower-cost solutions.. Three layers work together to make a smart city hum (Exhibit 1).
