

Fuzzy Dot Ideals And Fuzzy Dot H Ideals Of Bch Algebras

Right here, we have countless ebook **fuzzy dot ideals and fuzzy dot h ideals of bch algebras** and collections to check out. We additionally provide variant types and as well as type of the books to browse. The normal book, fiction, history, novel, scientific research, as skillfully as various other sorts of books are readily understandable here.

As this fuzzy dot ideals and fuzzy dot h ideals of bch algebras, it ends in the works physical one of the favored ebook fuzzy dot ideals and fuzzy dot h ideals of bch algebras collections that we have. This is why you remain in the best website to see the unbelievable book to have.

Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page.

Fuzzy Dot Ideals And Fuzzy

The homomorphic image and inverse image of fuzzy dot subalgebras and fuzzy dot ideals are studied. Also introduced the notion of fuzzy relations on the family of fuzzy dot subalgebras and fuzzy dot ideals of B-algebras and investigated some related properties. c 2014 World Academic Press, UK.

Fuzzy Dot Subalgebras and Fuzzy Dot Ideals of B - MAFIADOC.COM

In this paper, the notions of fuzzy dot subalgebras, fuzzy normal dot subalgebras, fuzzy dot ideals and fuzzy implicative dot ideals of distributive implication groupoids are introduced, and some...

Fuzzy dot ideals and fuzzy dot H-ideals of BCH-algebras

introduced the notion of fuzzy dot ideals of BCH-algebras as a generalization of the notion of fuzzy ideals of BCH-algebras. In 50-ties Henkin and Skolem first introduced the notion of Hilbert algebra (see,) as an algebraic counterpart of intuitionistic logic.

In particular we show that if μ and σ are fuzzy left (right) ideals of a ring R , then $\mu \times \sigma$ is a fuzzy left (right) ideal of $R \times R$ and conversely if $\mu \times \sigma$ is a fuzzy left (right) ideal of ...

(PDF) Fuzzy ideals in semigroups - ResearchGate

On fuzzy ideals and fuzzy hi-ideals 207 As is well-known [1, Lemma 2.13], if S is a regular semigroup, then $L[a] = Sa$ for every $a \sim S$. A semigroup S is called right (left) zero if $xy = y$ ($xy = x$) for all $x, y \sim S$. Then we have the following. [1]theorem 3.9. For a regular semigroup S the following conditions are equivalent. (1) The set of all ...

On fuzzy ideals and fuzzy bi-ideals in semigroups ...

The relations among fuzzy ideal, fuzzy H-ideal, fuzzy dot ideal and fuzzy dot H-ideals in BCH-algebras are discussed, several equivalent depictions of fuzzy dot ideal are obtained. How to deal with the homomorphic image and inverse image of fuzzy dot ideals (fuzzy dot H-ideals) are studied.

Fuzzy dot ideals and fuzzy dot H-ideals of BCH-algebras

...

By using the concept of $(\in, \in vq)$ -fuzzy ideals, Shabir, Jun and Nawaz (Shabir, Jun & Nawaz, 2010a) characterized regular semigroup. Khan, Sarmin, Khan and Khan (Khan, Sarmin, Khan & Khan, 2015) introduced the concepts of (α, β) -fuzzy bi-ideals and (α, β) -fuzzy bi-ideals of ordered semigroups and investigated some of its related properties.

On More Generalized Fuzzy Interior Ideals in Semigroup

...

concept of fuzzy dot ideals of BCK-algebras. In [12,13], Mostafa et al. applied the hyper structures to KU-algebras and introduced the concept.

(PDF) FUZZY DOT HYPER KU-IDEALS - ResearchGate

Conditions for an intervalvalued fuzzy d-ideal to be an $(\in, \in vq)$ -interval-valued fuzzy dot dideals are given. Some properties of interval-valued fuzzy relations and interval-valued fuzzy ideals under homomorphism are investigated.

Fuzzy Sets and Systems | Journal | ScienceDirect.com

Yin initiated the concepts of fuzzy dot ideals and fuzzy dot H-ideals of BCH-algebras in. In, Saeid et al. discussed fuzzy n-fold ideals in BCH-algebras. The concept of a BCH-algebra was initiated by Hu and Li in and gave examples of proper BCH-algebras.

ON SUB-IMPLICATIVE ()-FUZZY IDEALS OF BCH-ALGEBRAS

In this paper, we introduce the concept of kernel fuzzy ideals and $*$ -fuzzy filters of a pseudocomplemented semilattice and investigate some of their properties. We observe that every fuzzy ideal cannot be a kernel of a $*$ -fuzzy congruence and we give necessary and sufficient conditions for a fuzzy ideal to be a kernel of a $*$ -fuzzy congruence.

Fuzzy Ideals and Fuzzy Filters of Pseudocomplemented ...

In [18, 19], the idea of fuzzy ideals of \mathcal{G} -groups was defined, and various properties such as fundamental theorem of fuzzy ideals and fuzzy congruence were studied, respectively. In the present paper, we extend the idea of \mathcal{G} -fuzzy ideals of near-rings to the case of \mathcal{G} -groups and introduce the idea of fuzzy cosets with some results.

A Study on Fuzzy Ideals of \mathcal{G} -Groups

In this paper, the notions of fuzzy dot subalgebras, fuzzy normal dot subalgebras and fuzzy dot ideals of B-algebras are introduced and investigated some of their properties. The homomorphic image and inverse image of fuzzy dot subalgebras and fuzzy dot ideals are studied.
