### Novel J.G. Ballard

High Rise, by J.G. Ballard, tells a story of extreme social breakdown in a modern London apartment block designed to provide everything the discerning resident could desire. Although first published in 1975 it is disturbingly prescient, or perhaps timeless, examining the way man behaves when he is freed from the civilities forced on

High Rise is a horrific novel about a building that begins to have a strange hold over its residents. The high rise is a virtual vertical city, with the higher levels representing higher social class status. The building has it's own school, restaurants, pools, grocery store. The only reason for its' residents to leave is to go to work,

### Novel, J.G. Ballard

dystopian novels, High-Rise, takes a community of a forty floor apartment block and narrates the collapse of its middle-class British social ethics and morality, evolving into a renascent primal violence fuelled both by the sub-conscious urge to destroy all trappings of modern civilization and create a protectionist, yet isolated, commune.
