advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saying some

Problem areas before repair

The W201 fuel pumps are located on the underside of the car, behind the rear driver side seat. You will need to safely lift and support your car.

Please see our article on jacking up your Mercedes-Benz. Once the car is safely supported, you will need to remove the plastic protective piece covering the fuel filter,
