LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Morality And War Can War
Just-war teaching, so reinforced, is applied in Part Two to address key contemporary security challenges, including the changing nature of war, military pre-emption and torture, the morality of the Iraq War, and humanitarian intervention. The book concludes that, with the ending of the strategic certainties of the cold war, the need for moral clarity over when, where, and how to start, conduct, and conclude war has never been greater.

Morality and War: Can War Be Just in the Twenty-first ...
"Morality and War" captures all of the major arguments and dilemmas associated with modern warfare, especially where outraged intervention rather than national survival is the cause of conflict. David addresses some uncomfortable issues, not least the basis of conduct in war, which he argues must have a moral and not just a legal foundation.

Morality and War: Can War Be Just in the Twenty-first ...
war by claiming, "war is cruelty and you cannot refine it".6A more sophisticated realism would recognise that, in modern warfare, "ethical restraint may be necessary to the strategic success of military campaigns"7as demonstrated in America's strategy of winning hearts and minds to resolve the turmoil in Iraq.8He focuses on

MORALITY AND WAR: CAN WAR BE JUST IN THE TWENTY-FIRST CENTURY?
War used to get a moral pass as a sporting contest between two armies on a distant battlefield. Then it became the occupation of people's homes and the slaughter of those people. Now our propaganda is working to restore war's status as a sport, not against an honorable opponent but against an invisible one.

War and its Relationship to Morality - Global ...
To participate in a war that might very well be unjust risks deliberately killing individuals who have a right not to be killed. Of course, refusing to participate in a war that might very well be just risks allowing the deliberate killing of individuals who have a right not to be killed. But all things being equal, killing unjustly is morally worse than allowing an unjust killing (as Fisher himself affirms) -- which is why, in times of uncertainty, we must err on the side of the former.

Morality and War: Can War Be Just in the Twenty-First ...
War is not the only form of human interaction that carries with it risk of moral injury. But just as the battlefield is a domain of extreme risk for death or injury, so we need to recognise that ...

Wounds of the soul: Moral injury and the hatefulness of ...
Morality and war cannot be separated, for at its very essence, war is about using, risking, damaging, taking, or protecting life itself. At times the life taken or protected is that of another soldier. Other times the life is of an innocent trapped in the battle zone. And sometimes, it's the life of the political community itself.

On the Inseparability of War and Morality
It must be declared and waged by a competent governing authority. And it must be undertaken as a last resort. If the war meets these six criteria, it can be considered morally justified.

Is war ever morally justified? - The Week
However, many would argue that there are times when war is morally permissible, and even obligatory. The most famous way of ethically assessing war is to use 'Just War Theory'; a tradition going back to St. Augustine in the 5th Century and St. Thomas in the 13th Century.

The ethics of warfare: Is it ever morally right to kill on ...
Presented here are both general and specific arguments. The general arguments are those which tend to be used against the morality of any war at all, concluding that war is pragmatically (due to its consequences) or inherently immoral. The specific arguments allow that some wars at some times may be moral and/or justified, but they are used to object to some war in particular as failing to meet just standards.

Arguments that War is Immoral and Unethical
As the nation discusses the ethics of this strike and possible next steps, it is worth taking a moment to remember how the discourse that surrounds war can bypass our consciences. Psychologist Albert Bandura argues that our ordinary moral rules and religious commitments, even when sincerely affirmed, often fail to prevent us from justifying immoral actions in wartime.

How War Bypasses Morality | The University of Chicago ...
Morality and War: Can War Be Just in the Twenty-First Century? by David Fisher. 3.51 · Rating details · 49 ratings · 9 reviews With the ending of the strategic certainties of the Cold War, the need for moral clarity over when, where and how to start, conduct and conclude war has never been greater. Morality and War: Can War Be Just in the Twenty-First ...
Morality of War There are nine conditions under which fighting a war can be moral. Although, that does not mean that wars are moral, especially not any of the wars this country has engaged itself in. War seems to be the most destructive type of human interaction.

Essay on Morality of War - 998 Words
Conversations about the morality of war can be terribly frustrating. People tend to have strong moral feelings about war but muddled understandings about how to make moral judgments on war. Consequently, discussions about the morality of war often deteriorate into disputes about historical facts and attacks on the other person's moral character. As a military ethicist who strives to keep such conversations constructive, I've come to recognize five popular misconceptions that sabotage ...

Moral Misconceptions: Five Flawed Assumptions Confuse ...
Subjective morality is governed by self, selfishness, self-protection, self-interest, self-promotion, etc. Subjective Morality always puts self and what self wants at the center. It may not seem like it but it does. This is greatly manifested during adversity, war being great adversity. However, war can be fought with either morality.

How does morality change in wartime? - Quora
The Morality of War and the Law of War21 1. The Moral Equality of Combatants: Combatants on all sides in a war have the same moral status. They have the same rights, immunities, and lia-bilities irrespective of whether their war is just.

The Morality of War and the Law of War
There has been considerable recent discussion of the morality of war in general.1 Unfortunately, however, moral issues have not been central in the widespread debate about the war in Vietnam. One can plausibly and forcefully argue that war itself is intrinsically evil
