social work profession's mission and core values. The second section, "Purpose of the NASW Code of Ethics," provides an overview of the Code's main functions and a brief guide for dealing with ethical issues or dilemmas in social work practice.

Code of Ethics: English

By Will Charpentier. The framework upon which professional military ethics rest have both a legal and a moral foundation. The Constitution, law and regulation, the core values of the individual military service, and the professional values of the military's officer and noncommissioned officer communities form the legal basis for military ethics. The moral foundation for military ethics stems from the tradition that some wars are justified.
