You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

This guide will present the schema therapy approach, developed by Dr. Jeffrey Young to expand cognitive therapy for clients with more difficult long-term problems.

Schema therapy can help people change long-term patterns, including the ways in which they interact with other people.

Schema Therapy Worksheets - Lesson Worksheets

Schema therapy (ST) is
an integrative
approach that brings
together elements
from cognitive
behavioral therapy,
attachment and object
relations theories, and
Gestalt and
experiential therapies.
It was introduced by
