Working with Immigrants and Refugees | Promising Futures

Who Are Migrant Children? Migrant children 2 served by the MEP are children and youth ages 0-21 3 whose families work in the agricultural and/or fisheries industries and who will often move across districts and state lines several times within a 12-36 month period of time, following the various crops by season. It is not unusual for children to also work in the fields, alongside their families, when they're not in school and even during the school year.

□□□. 07 August 2020. Throughout the coronavirus pandemic, UNICEF and USAID have been working with NGO partners to deliver vital information to the migrant community on how to protect themselves and their children as well as providing much-needed support. The five people entering the small studio apartment on a sunny afternoon in June seem to know that they have to sit apart and maintain a safe distance from each other at all times.
